## Operational Issues

➤ Two things that need changing or reorienting to support our strategic direction:

1.

2.

➤ What has run its course or is not working and needs to be abandoned?

➤ What is not working that needs to be fixed?

➤ What are we not doing that needs initiating?

➤ What two metrics should have our attention in the next 6 to 12 months?

1.

2.

➤ In the coming year we will target the following for improved communication:

1.

2.

➤ In the next twelve months, we must complete the following:

1.

2.

3.
